**CELEBRATING OUR LATINO HERITAGE: FIESTA DC!**

As part of the Hispanic Heritage Month activities – September 15 to October 15 -- Mayor Anthony Williams is proud to support FIESTA DC and be part of the effort to bring back to the city a family oriented celebration that showcases the contributions of the Latino community to the District of Columbia.

This year a group of community leaders and members of the business and public sectors are working together under a newly created organization to plan a festival worthy of the Nation's Capital.

FIESTA DC will be celebrated at Cardozo High School stadium on Sunday October 10<sup>th</sup> from 10:00 am – 7:00 pm. The event is free and open to the public. During the event, the consumption of alcohol will be prohibited. The program will highlight music, cultural programs, arts and crafts, and food from all corners of the Latino experience.
